TRICARE: (also known as Humana Military): *We are a Non-Network TRICARE Certified Provider. We will accept patients that are covered under this plan however you should be aware due to the fact that we do not have a contract with them, your member responsibility may be higher. Also, if a referral should be needed to see a specialist, we will not be able to provide one for you. It is our understanding that TRICARE PRIME requires a referral whereas TRICARE SELECT does not. Any questions please feel free to call our Billing Dept. at 315-299-5320.*

Health Care Sharing Ministries (HCSM): *We do **not** accept assignment from any Health Care Sharing Ministry (e.g., Solidarity, Medi-Share, Christian Healthcare Ministries). These programs are **not insurance**, and payment is **not guaranteed**. We will **submit claims as a courtesy**, but **patients remain fully responsible** for all charges and any balance unpaid by their sharing ministry.*
